

GOVERNOR GREG ABBOTT

Required Conditions for Criminal Justice Division Grant Recipients

Congratulations on your grant award from Governor Greg Abbott's Criminal Justice Division (CJD). In this document you will find requirements that apply to your grant, state and federal requirements for grantees, and conditions for uses of grant funds.

These requirements are in addition to those that can be found on the eGrants system, to which you agreed when applying for the grant. Other state and federal laws and federal conditions of funding may apply to your grant. In particular, please see the Office of Justice Programs Financial Guide; 2 CFR 200 (federal regulations governing grant requirements); Title 1, Part 1, Chapter 3 (Criminal Justice Division) of the Texas Administrative Code; the Texas Uniform Grant Management Standards (UGMS); and the CJD Guide to Grants.

It is important to review all of these policies to successfully manage your grant, maintain eligibility for funding, and avoid violating the terms of your grant, any of which could result in the revocation of your funding or other actions. Many of these requirements are also based in state or federal law.

Requirements for All Grant Recipients

CJD requires all grantees to follow the below requirements, which are from federal laws or regulations, state law, or CJD policy, or a combination of these. The requirements are mandatory for every recipient of every grant from CJD. For background or further information, see the documents, laws and regulations cited above and individual footnotes for the requirements below, or contact CJD.

General Requirements

These requirements are for all grantees with any type of project.

Financial reporting – Financial Status Reports must be submitted to CJD via eGrants. Reports may be submitted monthly but must be submitted at least quarterly. Reports are due after each calendar quarter regardless of when the grant was awarded. Due dates are:

- April 22 (January-March quarter)
- July 22 (April-June quarter)
- October 22 (July-September quarter)
- January 22 (October-December quarter)

The final Financial Status Report must be submitted to CJD on or before the grant liquidation date or funds will lapse and CJD will provide them as grants to others who need the funding. Payments will be

generated based on expenditures reported in the reports. Upon CJD approval of the report, CJD will issue a payment through direct deposit or electronic transfer.

Required notifications – Grantees must immediately notify CJD in writing of any misappropriation of funds, fraud, theft, embezzlement, forgery, or any other serious irregularities indicating noncompliance with grant requirements. Grantees must notify the local prosecutor's office of any possible criminal violations. Grantees must immediately notify CJD in writing if a project or project personnel become involved in any litigation, whether civil or criminal, and the grantee must immediately forward a copy of any demand notices, subpoenas, lawsuits, or indictments to CJD. If a federal or state court or administrative agency renders a judgment or order finding discrimination by a grantee based on race, color, national origin, sex, age, or handicap, the grantee agrees to immediately forward a copy of the judgment or order to CJD.

Generated program income – Any income generated as a direct result of the grant activities must be reported to CJD through the Financial Status Report and grant adjustment processes. Program income must be used to offset project costs unless CJD grants prior approval that allows a supplement to project costs. Program income must be expended prior to seeking payments from CJD and must be accounted and used for the purposes of the grant activities as awarded.

Equipment – Equipment purchased with grant funds must be used for the purpose of the grant and as approved by CJD. An inventory report must be kept on file containing all equipment purchased with any grant funds during the grant period. This report must agree with the approved grant budget and the final Financial Status Report. Additionally, equipment and software developed with funds awarded by the US Department of Justice (USDOJ) must be compliant with USDOJ information technology interface standards, including the National Criminal Intelligence Sharing Plan, the Global Justice XML Data Model, and the Law Enforcement Information Sharing Plan. A list of additional standards can be found at the OJP Standards Clearinghouse.

Project effectiveness – Grantees should regularly collect data to evaluate the effectiveness of their projects. This evaluation includes a reassessment of project activities and services to determine whether they continue to be effective. Grantees must show that their activities and services effectively address and achieve the project's stated purpose.

Programmatic reporting – Grantees must submit required reports regarding grant information, performance, and progress towards goals and objectives in accordance with the instructions provided by CJD, or its designee. To remain eligible for funding, the grantee must be able to show the scope of services provided and their impact, quality, and levels of performance against approved goals.

Project commencement time deadlines - Grantees must take reasonable steps to commence project activities upon receiving notice of a grant award:

- **Commencement within 60 days.** If a project is not operational within 60 days of the original start date of the award period or grant award date as noted on this memorandum, whichever is later, the grantee must report by letter to CJD the steps taken to initiate the project, the reasons for delay, and the expected revised start date.
- **Commencement within 90 days.** If a project is not operational within 90 days of the original start date of the award period or grant award date as noted on this memorandum, whichever is

later, the grantee must submit a second statement to CJD explaining the implementation delay. Upon receipt of the 90-day letter, CJD may cancel the project and redistribute the funds to other project areas. CJD may also, where extenuating circumstances warrant, extend the implementation date of the project past the 90-day period.

Project changes – Grantees may submit a request for grant adjustment via eGrants for any proposed budgetary or programmatic changes, including updating contact information for grant officials.

Supplanting funds – Awarded funds must be used to supplement existing funds for program activities and not replace (supplant) funds that have been appropriated or allocated for the same purpose. Grant monitors and auditors will look for potential supplanting during reviews. Violations may result in a range of penalties, including suspension of future funds, suspension or debarment from receiving federal or state grants, recoupment of monies provided under the grant, and civil or criminal penalties. For additional information on supplanting, refer to the Guide to Grants at <https://eGrants.gov.texas.gov/updates.aspx>.

Funding Eligibility Conditions

These conditions are required to be maintained in order to obtain and retain eligibility for grants administered by CJD.

Non-profit grant recipients: proof of status – CJD and U.S. Department of Justice policy is that a non-profit who receives a grant must be prepared to demonstrate its non-profit status through one of four methods:

1. Submission of proof of 501(c)(3)
2. Submission of a statement from the state taxing authority or state Secretary of State, or other similar official certifying that the organization is a non-profit operating within the state, and that no part of its net earnings may lawfully benefit any private shareholder or individual.
3. Submission of a certified copy of the applicant's certificate of incorporation or similar documents.
4. Submission of any item above, if that item applies to a state or national parent organization, together with a statement by the state or parent organization that the applicant is a local non-profit affiliate.

There are additional requirements for recipients of Juvenile Justice and Delinquency Prevention Act grant recipients. See the section on special requirements for that grant for more details. All non-profit sub recipients of formula funds provided under the Juvenile Justice and Delinquency Prevention Act must have a 501(c)(3) status recognized by the Internal Revenue Service.

Non-profit grant recipients: maintaining a fidelity bond – Each nonprofit corporation receiving funds from CJD must obtain and have on file a blanket fidelity bond that indemnifies CJD against the loss or theft of the entire amount of grant funds, including matching funds. The fidelity bond should cover at least the CJD grant period.

Public information requests - Grantees must immediately notify and provide a copy to CJD of any Public Information Request received by the agency related to this grant award.

Conflict of interest safeguards – Grantees should have in place established safeguards to prohibit employees from using their positions for a purpose that is, or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties.

Grant-funded personnel – Staff whose salaries are supported by this award must be made aware that continued funding is contingent upon the availability of appropriated funds as well as the outcome of the annual application review conducted by CJD.

Contracting and procurement – Grantees must follow their established policy and best practices for procuring goods or services with grant funds. Contracts must be routinely monitored for delivery of services or goods. When contractual or equipment procurement is anticipated to be in excess of \$150,000, grantees must submit a Procurement Questionnaire to CJD (available at <https://eGrants.gov.texas.gov/updates.aspx>) for approval prior to procurement.

Travel – Grantees must follow their established policies and good fiscal stewardship related to travel expenses. If the grantee does not have established policies regarding in-state and out-of-state travel, grantee must use the travel guidelines established for state employees.

Uniform Crime Reporting – Local units of governments receiving funds from CJD must comply with all requirements for uniform crime reporting and must ensure that prompt reporting will remain current throughout the grant period.

Criminal history reporting by counties and other governmental entities – Counties or other governmental entities required to maintain and report criminal history records the Texas Code of Criminal Procedure, Ch. 60, must maintain compliance with that statute in order to obtain or maintain eligibility for CDJ grant funds.

For-profit grant recipients: special conditions – It is CJD and OJP policy that for-profit organizations must agree not to make a profit as a result of an award and not to charge a management fee for the performance of an award. Also, commercial organizations must agree to comply with the contract cost principles of subpart 31.2 of the Federal Acquisition Regulations.

Monitoring – Grantees must readily make available to the Governor's Office or its agents all requested records. The Governor's Office may make unannounced monitoring visits at any time. The grantee must make every effort to address and resolve all issues, findings, or actions identified within the time frame specified by the Governor's Office through a Corrective Action Plan.

Law enforcement programs – Law enforcement programs receiving funds from CJD must be in compliance with all rules developed by the Texas Commission on Law Enforcement.

Overtime pay: Prior approval and conditions required - Overtime is allowable to the extent that it is included in the CJD approved budget, the grantee agency has an overtime policy approved by its governing body, and both grant-paid and non-grant paid personnel are treated the same with regards to the application of overtime policy(ies). Additionally, in no case is dual compensation allowable. That is, an employee of a grantee agency may not receive compensation for hours worked (including paid leave) from his/her agency AND from an award for a single period of time, even though such work may benefit

both activities. Overtime payments issued outside of these guidelines are the responsibility of the grantee agency.

Prohibited political acts of agencies and individuals - Grant funds may not be used in connection with the following acts by agencies or individuals employed by grant funds:

- Grant funds may not be used to finance or otherwise support the candidacy of a person for an elected local, state, or federal office. This prohibition extends to the direct or indirect employment of a person to perform an action described by this subsection. In addition, grant-funded or grant-leased motor vehicles may not be used for the purpose described above.
- Grant officials or grant funded employees may not use official authority or influence or permit the use of a program administered by the grantee agency of which the person is an officer or employee to interfere with or affect the result of an election or nomination of a candidate or to achieve any other political purpose.
- Grant-funded employees may not coerce, attempt to coerce, command, restrict, attempt to restrict, or prevent the payment, loan, or contribution of anything of value to a person or political organization for a political purpose.

Employment of a lobbyist - Grant funds may not be used to employ, as a regular full-time or part-time or contract employee, a person who is required by Chapter 305 of the Government Code to register as a lobbyist. Furthermore, grant funds may not be used to pay, on behalf of the agency or an officer or employee of the agency, membership dues to an organization that pays part or all of the salary of a person who is required by Chapter 305 of the Government Code to register as a lobbyist.

Legislative lobbying - Grant funds may not be used to attempt to influence the passage or defeat of a legislative measure.

Use of alcoholic beverages - Grant funds may not be used to compensate an officer or employee who uses alcoholic beverages on active duty. Additionally, grant funds may not be used to purchase an alcoholic beverage or to pay or reimburse a travel expense that was incurred for an alcoholic beverage.

Intellectual property – DOJ and CJD reserve certain rights with respect to data, patentable inventions, works subject to copyright, and other intellectual property associated with an award of Federal funds. See 28 CFR 66.34, and 37 CFR Part 401.

Limited English proficiency – Grantees must take reasonable steps to ensure that persons with limited English proficiency have meaningful access to services. Meaningful access may entail providing language assistance services, including oral and written translation when necessary. Additional information on this requirement can be found at <http://www.lep.gov>.

Inherently religious activities – A grantee may not use grant funding to engage in inherently religious activities, such as proselytizing, scripture study, or worship. Grantees may, of course, engage in inherently religious activities; however, these activities must be separate in time or location from the federally assisted program. Moreover, grantees must not compel program beneficiaries to participate in inherently religious activities. Grantees must also not discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief in the delivery of services or

benefits funded by the grant. These requirements apply to all grantees, not just faith-based organizations.

Copyrights and licenses for data and other works – CJD [and the Office of Justice Programs (OJP), if the work is funded with a federal grant] reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use (in whole or in part, including in connection with derivative works), for state [or Federal] purposes:

- (1) any work subject to copyright developed under an award or subaward; and
- (2) any rights of copyright to which a recipient or sub recipient purchases ownership with state [or Federal support.

The recipient acknowledges that CJD [and OJP] have the right to

- (1) obtain, reproduce, publish, or otherwise use the data first produced under an award or subaward; and
- (2) authorize others to receive, reproduce, publish or otherwise use such data for state [or federal] purposes. “Data” includes data as defined in Federal Acquisition Regulation (FAR) provision 52.22714 (Rights in Data- general).

It is the responsibility of the recipient (and of each subrecipient, if applicable) to ensure that this condition is included in any subaward under this award. The recipient has the responsibility to obtain from sub recipients, contractors, and subcontractors (if any) all rights and data necessary to fulfill the recipient’s obligations to the Government under this award. If a proposed sub recipient, contractor, or subcontractor refuses to accept terms affording the Government such rights, the recipient shall promptly bring such refusal to the attention of the CJD program manager for the award and not proceed with the agreement in question without further authorization from CJD.

Records must be made available upon request – The grantee authorizes CJD – and, if grant funds are from federal sources, the relevant federal office – and its representatives access to and the right to examine all records, books, papers, or documents related to the grant.

Project-Specific Requirements

These requirements only apply to grantees using funds for specific activities or types of projects. Review the requirements below to see if they apply to your grant.

Research involving human subjects: required procedures – If the grantee uses grant funds to undertake research involving human subjects, the grantee may be subject to Department of Justice (DOJ) Office of Justice Programs (OJP) policies and requirements adopted by CJD related to human subjects found in 28 CFR Part 46. OJP has developed a decision tree to assist applicants in determining whether an activity they plan to undertake with grant funds constitutes research involving human subjects. DOJ and CJD regulations protect the human subjects of grant-funded research. In brief, 28 CFR Part 46 requires that most research involving human subjects that is conducted or supported by a Federal department or agency - and CJD by adoption – be reviewed and approved by an institutional Review Board (IRB), in accordance with the regulations, before funds are expended for that research. As a rule, persons who participate in grant-funded research must provide their “informed consent” and must be permitted to terminate their participation at any time. Funding recipients, before they will be allowed to spend OJP or

CJD funds on any research activity involving human subjects, must submit appropriate documentation to CJD showing compliance with 28 CFR Part 46 requirements. General Information regarding data confidentiality and Protection of Human Research Subjects (and Model Privacy Certificate and other forms) can be found at: <http://ojp.gov/funding/forms.htm>.

For grants of state funds over \$500,000: audit requirements – If the grantee expends more than \$500,000 in state funds in a fiscal year, the grantee may be subject to the State Single Audit Circular issued under the Uniform Grant Management Standards (UGMS) at: <http://www.window.state.tx.us/procurement/catrad/ugms.pdf>. UGMS is likely to be updated in 2015, and the threshold expenditure levels that trigger Single Audit requirements may increase. In order to ensure compliance, take care to note both the effective dates and expenditure levels. Grantees must electronically submit to the Governor’s Office copies of the results of any single audit conducted in accordance with the State Single Audit Circular issued under UGMS within 30 calendar days after the grantee receives the audit results or nine months after the end of the audit period, whichever is earlier.

Use of funds on conferences: guidance and restrictions – CJD does not allow grant funds to be used on non-emergency food, meals, beverages or other refreshments, such as those that might be provided at conferences. If the grantee uses grant funds for other expenses related to conferences, the grantee agrees to comply with all applicable laws, regulations, policies, and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, trainings, and other events), including and costs of attendance at such events. More detailed policies and guidance can be found in the DOJ Office of Justice Programs 2015 Financial Guide, available at <http://ojp.gov/financialguide/DOJ/>. Note that CJD policies are more restrictive than federal guidance, and apply to all grant funds administered by CJD.

For any websites produced with grant funds – If the grantee uses grant funds to produce, in whole or in part, any website, the following statement must be placed on the home page, on all major entry pages (i.e. pages (exclusive of documents) whose primary purpose is to navigate the user to interior content), and on any pages from which a visitor may access or use a Web-based service, including any pages that provide results or outputs from the service:

For websites produced with state (and no federal) grant funds - “This web site is funded [insert “in part”, if applicable] through a grant from the Criminal Justice Division of the Texas Office of the Governor. Neither the Office of the Governor nor any of its components operate, control, are responsible for, or necessarily endorse, this web site (including, without limitation, its content, technical infrastructure, and policies, and any services or tools provided).”

For websites produced with federal grant funds - “This web site is funded [insert “in part”, if applicable] through a grant from the Criminal Justice Division of the Texas Office of the Governor and the [insert name of Office of Justice Programs component, e.g. Office of Juvenile Justice and Delinquency Prevention], Office of Justice Programs, U.S. Department of Justice. Neither the Office of the Governor, the U.S. Department of Justice, nor any of their components operate, control, are responsible for, or necessarily endorse, this web site (including, without limitation, its content, technical infrastructure, and policies, and any services or tools provided).”

The full text of the foregoing statement must be clearly visible on the home page. On other pages, the statement may be included through a link, entitled “Notice of funding and disclaimer,” to the full text of the statement. The publication must not convey CJD or DOJ’s official recognition or endorsement of the recipient’s project simply based on having received funding.

Requirements for All Recipients of Federal Grants

CJD requires all grantees receiving federal grants to follow the below requirements in addition to those for recipients of all grants administered by CJD, as well as any requirements in state law and rules and federal laws and regulations. The requirements are mandatory for every recipient of federal JJD administered by CJD. For background or further information, see the documents, laws and regulations cited at the beginning of this document and individual footnotes for the requirements below, or contact CJD or DOJ.

General Requirements for Federal Grants

These requirements are for all grantees receiving a federal grant with any type of project.

Equal Employment Opportunity Plans (for ALL recipients of federal grants - EVEN IF CLAIMING AN EXEMPTION) – All recipients of federal grants must either 1) develop and file an Equal Employment Opportunity Plan (EEOP) with the Department of Justice; OR 2) file a certification of exemption from EEOP requirements, if eligible. The Department of Justice has released a new EEOP Certification Form. Every recipient of a federal grant must now complete an EEOP Certification Form, even those that are exempt from filing an Equal Employment Opportunity Plan (EEOP).

If a grantee is required to submit an EEOP, that grantee must also file a Certification Form declaring that submission. The grantee must keep a copy of both the EEOP and the Certification Form on-file and available at any time upon request from CJD.

If a grantee is claiming an exemption from filing an EEOP, that grantee must complete the federal Certification Form for that exemption in order to be eligible for federal funds. Grantees must keep a copy of the Certification Form on-file and available at any time upon request from CJD.

EEOP guidance and the Certification Form for both filers and those claiming an exemption is available at: <http://ojp.gov/about/ocr/eeop.htm>

For grants of federal funds occurring in grantee fiscal years beginning before December 26, 2014 – Grantees expending more than \$500,000 in federal funds in a fiscal year part of a grant whose effective date falls within a grantee's fiscal year that begins before December 26, 2016 are subject to the Single Audit requirements set forth in OMB Circular No. A 133 at <http://www.whitehouse.gov/omb/circulars/index.html>. Grantees must electronically submit to the Governor's Office copies of the results of any single audit conducted in accordance with OMB Circular No. A-133 within 30 calendar days after the grantee receives the audit results or nine months after the end of the audit period, whichever is earlier.

For grants of federal funds occurring in grantee fiscal years beginning on or after December 26, 2014 – Grantees expending more than \$750,000 in federal funds in a fiscal year as part of a grant whose effective date falls within a grantee's fiscal year that begins on or after December 26, 2016 are subject to Single Audit Requirements in 2 CFR, Part 200, Subpart F – Audit Requirements, at http://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl. Grantees must electronically submit to the Governor's Office copies of the results of any single audit conducted in accordance with 2 CFR, Part 200, Subpart F – Audit Requirements within 30 calendar days after the grantee receives the audit results or nine months after the end of the audit period, whichever is earlier.

E-Verify participation – If applicable, the grantee will comply with Executive Order RP-80 regarding the U.S. Department of Homeland Security’s E-Verify system.

Funding Eligibility Conditions for Federal Grants

These conditions are required to be maintained in order to obtain and retain eligibility for federal grants administered by CJD.

Restrictions on political activity – Unless specifically authorized to do so by federal law, grant recipients or their sub-grantees or contractors are prohibited from using federal grant funds for political purposes, including lobbying or advocating for legislative programs or changes; campaigning for, endorsing, or contributing to political candidates or parties; and voter registration or get-out-the-vote campaigns. Generally, organizations or entities which receive federal funds by way of grants, contracts, or cooperative agreements do not lose their rights as organizations to use their own, private, non-federal resources for “political” activities because of or as a consequence of receiving such federal funds. These recipient organizations must thus use private or other non-federal money, receipts, contributions, or dues for their political activities, and may not charge off to or be reimbursed from federal contracts or grants for the costs of such activities.

State and local government employees of grantees whose salaries are funded by funds from federal grants must comply with the federal Hatch Act (5 U.S.C. §§ 1501- 1508) which restricts the political activity of employees who work in connection with federally funded programs. Covered employees may not: 1) use their official authority or influence for the purpose of interfering with or affecting the result of an election or a nomination for office; or 2) directly or indirectly coerce, attempt to coerce, command, or advise a State or local officer or employee to pay, lend, or contribute anything of value to a party, committee, organization, agency, or person for political purposes.

State and local government employees of grantees whose salaries are funded entirely, directly or indirectly, by federal funds may not be candidates for public office in a partisan election.

Cash compensation conditions - With respect to this award, federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal governments Senior Executive Services (SES) at any agency with a Certified SES Performance Appraisal System for that year. (An award recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)

This limitation on compensation rates allowable under this award may be waived on an individual basis at the discretion of CJD and its federal funding agency.

Evidence-based programs or practices – OJP strongly emphasizes the use of data and evidence in policy making and program development in criminal justice, juvenile justice, and crime victim services. OJP is committed to:

- Improving the quantity and quality of evidence OJP generates;
- Integrating evidence into program, practice, and policy decisions within OJP and the field; and
- Improving the translation of evidence into practice.

OJP considers programs and practices to be evidence-based when their effectiveness has been demonstrated by causal evidence, generally obtained through one or more outcome evaluations. Causal intended outcome, including measuring the direction and size of a change, and the extent to which a change may be attributed to the activity or intervention. Causal evidence depends on the use of scientific methods to rule out, to the extent possible, alternative explanations for the documented change. The strength of causal evidence, based on the factors described above, will influence the degree to which OJP considers a program or practice to be evidence-based. OJP's CrimeSolutions.gov website is one resource that applicants may use to find information about evidence-based programs in criminal justice, juvenile justice, and crime victim services.

ACORN - Recipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or sub award to either the Association of Community Organizations for Reform now (ACORN) or its subsidiaries, without the express prior written approval of OJP.

Texting & driving – Pursuant to Executive Order 13513, “Federal Leadership on Reducing Text Messaging While Driving,” 74 Fed. Reg. 51225 (October 1, 2009), the Department encourages recipients and sub recipients to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by the distracted drivers.

Computer networks - The recipient understands and agrees that- (a) No award funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography, and (b) nothing in subsection (a) limits the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecutions, or adjudication activities.

OJP Training Guiding Principles - The recipient understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OJP Training Guiding Principles for Grantees and Sub grantees, available at:
<http://www.ojp.usdoj.gov/funding/ojptrainingguidingprinciples.htm>

Religious discrimination - The recipient understands and agrees that award funds may not be used to discriminate against or denigrate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or of the parents or legal guardians of such students.

Consultant rate – Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day or \$81.25 per hour. A detailed justification must be submitted to and approved by CJD prior to obligation or expenditures of such funds. Although prior approval is not required for consultant rates below these specified amounts, grantees are required to maintain documentation to support all daily or hourly rates.

Applicability of Part 200 Uniform Requirements - The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (the “Part 200 Uniform Requirements”) apply to this 2015 award from the Office of Justice Programs (OJP). For this 2015 award, the Part 200 Uniform

Requirements, which were first adopted by DOJ on December 26, 2014, supersede, among other things, the provisions of 28 C.F.R. Parts 66 and 70, as well as those of 2 C.F.R. Parts 215, 220, 225, and 230.

If this 2015 award supplements funds previously awarded by OJP under the same award number, the Part 200 Uniform Requirements apply with respect to all award funds (whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this 2015 award.

Potential availability of grace period for procurement standards: Under the Part 200 Uniform Requirements, a time-limited grace period may be available under certain circumstances to allow for transition from policies and procedures that complied with previous standards for procurements under federal awards to policies and procedures that comply with the new standards (that is, to those at 2 C.F.R. 200.317 through 200.326).

For more information on the Part 200 Uniform Requirements, including information regarding the potentially-available grace period described above, see the Office of Justice Programs (OJP) website at <http://ojp.gov/funding/Part200UniformRequirements.htm>.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

Use of the “de minimis” indirect cost rate - A recipient that is eligible under the Part 200 Uniform Requirements to use the “de minimis” indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the “de minimis” indirect cost rate, must advise CJD in writing before any such funds are obligated of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The “de minimis” rate may be applied only to modified total direct costs (MTDC).

Project-Specific Requirements for Federal Grants

These requirements only apply to grantees using federal grant funds for specific activities or types of projects. Review the requirements below to see if they apply to your grant.

Intelligence database training - Any grant-funded individual responsible for entering information into or retrieving information from an intelligence database must complete continuing education training on operating principles described by 28 C.F.R. Part 23 at least once for each continuous two-year period that the person has responsibility for entering data into or retrieving data from an intelligence database.

DOJ Information Technology Interface Standards - As appropriate, all equipment and software developed under awards that result from this solicitation must be compliant with DOJ Information Technology Interface Standards, including the National Criminal Intelligence Sharing Plan, the Global Justice XML Data Model, and the Law Enforcement Information Sharing Plan. A list of additional standards can be found at the OJP Standards Clearinghouse.

Additional Requirements for Justice Assistance Grants (JAG)

CJD requires all grantees receiving federal Justice Assistance Grants (JAG) to follow the below requirements in addition to those for recipients of all grants administered by CJD and the requirements for all federal grants, as well as any requirements in state law and rules and federal laws and regulations. The requirements are mandatory for every recipient of federal JAG funds administered by CJD. For background or further information, see the documents, laws and regulations cited at the beginning of this document and individual footnotes for the requirements below, or contact CJD or DOJ.

Project-Specific Requirements for Federal JAG Funds

These requirements only apply to grantees using federal JAG funds for specific activities or types of projects. Review the requirements below to see if they apply to your grant.

Body armor purchases: mandatory wear policy – If a grantee uses JAG grant funds to purchase ballistic-resistant or stab-resistant body armor, the grantee must have a written “mandatory wear” policy in effect and submit a signed certification to that effect to CJD. This policy must be in place for at least all uniformed officers before any JAG funding can be used by the agency for body armor. There are no requirements regarding the nature of the policy other than it being a mandatory wear policy for all uniformed officers while on duty.

Body armor purchases: matching fund restrictions – If a grantee uses JAG funds to purchase ballistic-resistant or stab-resistant body armor, the grantee may not use those funds as part of the 50% match requirement for purposes of the Bulletproof Vest Partnership (BVP) program.

Body armor purchases: acceptable models - If a grantee uses JAG funds to purchase ballistic-resistant or stab-resistant body armor, the body armor may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the vests have been tested and found to comply with applicable National Institute of Justice (NIJ) Ballistic or stab standards and are listed on the NIJ Compliant Body Armor Model List (<http://nij.gov>). Additionally, ballistic-resistant and stab-resistant body armor purchased must be American made. The latest NIJ standard information can be found here: <http://www.nij.gov/topics/technology/body-armor/safety-initiative.htm>.

Purchase of unmanned aircraft: restrictions - No JAG funds may be expended on the purchase of unmanned aircraft, unmanned aircraft systems or unmanned aerial vehicles (UA/UAS/UAV), unless the BJA Director certifies that extraordinary and exigent circumstances exist, making them essential to the maintenance of public safety and good order. Any state or local jurisdiction receiving BJA approval to utilize JAG funds for this type of purchase must certify to DOJ that it received Federal Aviation Administration (FAA) approval to operate a UA/UAS/UAV and that it is legal to operate a UA/UAS/UAV in the proposed jurisdiction or geographic area. The purpose of this requirement is to avoid duplicating similar, exiting networks or IT systems in other initiatives funded by federal grants.

Funding for Task Forces: online training required – If a grantee uses JAG funds to fund any member of a law enforcement task force, the grantee agrees that within 120 days of award acceptance, each current member of the task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. Additionally, all future task force members are required to complete this training once during the life of this award, or once every four years if multiple awards include this requirement. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership (www.ctfli.org). This training addresses task force effectiveness as well as other key force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, along with course completion certificates, by the grant recipient. Additional information is available regarding this required training and access methods via BJA's web site and the Center for Task Force Integrity and Leadership.

Technology projects: State Information Technology Point of Contact – If a grantee uses JAG funds on a technology project, the grantee must notify the State Information Technology Point of Contact of any information technology projects funded by this grant. This notification is to facilitate communication among local and state governmental entities regarding victim information technology projects being conducted with these grant funds.
